HOW YOU ARE HELPING

“Enriching lives through support of the arts at the Victoria Gardens Cultural Center and supporting efforts that benefit the community”

We strongly believe that vibrant and robust arts experiences and opportunities provide for a richer, balanced community for all ages. The Foundation supports this mission by raising funds throughout the year to:

- Provide financial assistance for arts education and programs for school-aged children, including hundreds of tickets to Title 1 & Low-Income Schools.
- Provide hundreds of free tickets annually to low-income families & youth-serving organizations to attend live performances.
- Provide sponsorships to local high schools for arts programs & projects.
- Provide scholarships to deserving high school seniors pursuing education in the arts.
- Provide financial support to help sustain quality theatre provided by MainStreet Theatre Company, Rancho Cucamonga Community Theatre and Broadway at the Gardens productions at the Lewis Family Playhouse.

We sincerely thank you for your support!

Red Hill Country Club

Located beneath the beautiful foothills of the San Gabriel Mountains in Rancho Cucamonga, Red Hill Country Club delights its members and guests with glorious views and incredible sunsets. A private member-owned club, Red Hill was established in 1921 and originally designed by legendary golf course architect George C. Thomas, who is also known for his design of the Riviera, Los Angeles and Bel Air Country Clubs. Red Hill is a mature, challenging and exquisitely maintained "classic" course. Whether for business or pleasure, Red Hill's playing, practice and dining facilities will exceed your expectations.

The course measures 6,613 yards with a par 72. The tree lined fairways, 43 bunkers and three lakes offer strategic challenges to players of every skill level.
